## Fundraiser for An Army for Jackson.

Jackson is a 4 year old battling fighting stage 4 Rhabdomyosarcoma in his GI tract and abdomen. This is a very rare cancer, with only about 350 diagnoses per year in the US. If you would like to bring a small army guy for Jackson. His mother wanted him to know all the people praying and wishing and hoping for him - and being 4 years old it's hard to understand - so she had asked for people to send him army guys so he can see the quantity of people that are all cheering for him.

**\$5.00 donation includes sample of each and bowl of your favorite!**

*Winning Chili Wins a Complimentary Night Stay at the
