

Playgrounds to Pills: *Prevention Begins with Parents*

Wednesday, November 9, 2016

6:00-6:30 PM Resource Fair

6:30-8:30 PM Program

East Troy Middle School Multi-Purpose Room

3143 Graydon Avenue

East Troy, WI 53120

Parents have more influence over their children than friends, social media, TV, music and the overly glamorized world of entertainment. Parents have a major impact on their child's decision not to use drugs. Since healthy habits are formed at a young age, it is never too early to lay the foundation for a drug-free lifestyle.

Free childcare is available for children over 6 months of age.

Register for this FREE event at:

<https://playgroundstopillseasttroy.eventbrite.com>
