JANUARY 2009

What's New For 2009

he beginning of a By Katie new year provides an Matteson opportunity to start CHAMBER anew. The East Troy Area EXECUTIVE Chamber of Commerce and DIRECTOR its member businesses have a full slate of new programs and activities in store for 2009.

Corporate Partners

The Chamber of Commerce is thrilled to announce the introduction of its new Corporate Partnership Program. The Chamber maintains an annual investment schedule that allows businesses of all sizes to afford the benefits of membership. The membership investments, combined with income from fundraising events and state room tax, provide a nice office with basic member and visitor services. Corporate Partnerships present an opportunity for member businesses to expand their support of Chamber programs beyond their annual dues to help strengthen the voice of business in the community.

Three levels of support are available, including Chairman (\$3,500), Executive (\$2,500) and Leader (\$1,000), with benefits offered in appreciation for the sponsorship. Many thanks to Wisconsin

Oven Corporation (Chairman), Allan Integrated Control Systems, Inc. (Leader), First Citizens State Bank-East Troy Office (Leader), Alpine Valley Music Theatre (Leader) and ProHealth Care (Leader), the first Chamber members to come forward as Corporate Partners for 2009.

Healthy Communities Cooperative

The Chamber is on the forefront of an innovative co-op based group health insurance initiative that seeks to bring high quality, affordable health care to participating Chamber of Commerce members in Walworth, Rock, Jefferson, Green, Dodge and Dane counties. The co-op board is expected to announce its carrier selection this month, with the kickoff date for coverage expected to begin July 1. Watch for information about co-op membership and insurance applications in the coming weeks.

Starting with a health risk assessment, those insured by the plan will play an

STATE BANK

active role in keeping their health insurance rates under control by participating in the wellness program. The goal is to identify chronic issues and help people make informed choices to improve their health. The program will provide coordination of existing community programs, resources and activities, along with education on proper diet and exercise, to promote healthy lifestyles and reduce future claims.

25th Anniversarv

Michael Fields Agricultural Institute, W2493 County ES, will celebrate its 25th anniversary in the fall. Beginning in February, Michael Fields will present its 2009 Whole Farm Workshop Series.

The workshop series is divided into four groups. "The Land" is the foundation of farm sustainability. These courses develop a deeper understanding of farm sustainability. "The Farm" offers production-based workshops in market crops and animal production. "The Tools"

2009 Corporate Partners:

Wisconsin Oven

are workshops that range from entry-level equipment usage to finding added value on the farm that result in practical skills that will accelerate business development and lead to more profitable practices. "The Community" represents the relationship that consumers need in today's society to feel more closely connected to the farms that produce the food they eat. Traditional farm life skills are taught in Michael Fields Kitchen with farm fresh products.

VOLUME 20, EDITION 1

The new year is here and your Chamber of Commerce is raring to go with its goals in place for 2009.

1) Launch and grow the newly designed Chamber Web site. The Chamber's existing Web site was designed in 2003 and in need of updating. We've been working with local talent at Volece Tech to give the site a new look, as well as adding information and photos to properly showcase our great community. Plans call for presenting the new site at the Chamber's Annual Meeting on Feb. 11.

2) Fully utilize the new ChamberMaster software by integrating it into office operations and provide training to members. ChamberMaster is member

management software specifically designed for Chambers of Commerce. It includes the backend database for member records and Web site, eliminating the need for multiple databases and spreadsheets to manage the Chamber. Web site components include:

 Online Business Directory module with informational Web page for each member. Google mapping pinpoints member locations for consumers in Business Directory search results.

 Calendar of Events component that allows the management of the invitation and registration process, track member participation and automatically send e-mail reminders.

• Information Request (Visitor Center) module routes leads back to business members and tracks advertising effectiveness.

• Manage Hot Deals, eCoupons and web advertising campaigns with the Advertising module.

• The Job Posting section lets members post jobs on the Web site.

3) Implement the new Corporate Partners program. Corporate partnerships will provide an opportunity of member businesses to expand their support of Chamber programs beyond their annual dues to help strengthen the voice of business in the community. The health of the East Troy business community

participate, including Wisconsin Oven Corporation (Chairman), Allan Integrated Control Systems, Inc. (Leader), First Citizens State Bank-East Troy Office (Leader), Alpine Valley Music Theatre (Leader) and ProHealth Care (Leader). 4) Develop a yearlong marketing and advertising plan to promote

Chamber activities and member businesses. The Chamber's Advertising and Marketing Committee is working to develop a plan that will maintain a consistent presence of the Chamber in the public's eye, as well as promote specific community events and member functions.

5) Expand Chamber activities in the areas of Economic Development and Government Relations. The Chamber already has representation on the Village of East Troy's Economic Development Committee and participates in programs offered by the Walworth County Economic Development Alliance, Inc. Plans call for partnering with WCEDA to offer local workshops, providing demographic information on the Web site and sponsoring Candidate Forums for local contested races. In addition, the Chamber's Ambassador Committee is currently organizing a Business Expo, which will be held Saturday, April 25 from 10 a.m. to 3 p.m. at East Troy Middle School.

It's a great time to be a member of the East Troy Area Chamber of Commerce. For membership information, contact Executive Director Katie Matteson at (262) 642-3770 or info@easttroywi.org.

Classroom/Playroom Remodeling

Butterfly Life Family Child Care & Preschool, W2491 Swoboda Road, is in the process of remodeling its classroom/ playroom for 2009 after completely gutting it. The preschool has some great new fun play centers that are eco-friendly and will inspire imagination. Director Jennifer Martinez continues to serve healthy snacks and meals that offer a variety of organic foods and use all natural cleaning products and non-toxic toys. The kids will continue to learn about the environment, recycling, composting and growing food, while having fun on the farm. The center has open enrollment for child care and preschool. For more information, visit www.vintagehobbyfarm.com.

New Gastroenterology Specialists

With increasing demand for gastroenterology services in Walworth County, Aurora Lakeland Medical Center in Elkhorn welcomes a new group of gastroenterology physician specialists to the hospital. The new team has provided comprehensive gastroenterology services at Aurora Memorial Hospital of Burlington for several years.

The board certified gastroenterology physicians include: Phillip Chung, M.D., medical degree from University of Chicago; Stephen Deutsch, M.D., medical degree from Tufts University, Boston; Bennett Pastika, D.O., medical degree from the Chicago College of Osteopathic Medicine; James Radke, M.D., medical degree from Loyola University in Chicago and Rama Venu, M.D., medical degree from Kerlaa University-Kottayam.

"Our goal is to provide services that people need close to home and work," said Kathy Skowlund, vice president and chief administrative officer at Lakeland Medical Center.

Chamber Announces Joy Winners

Winners in the Find the Joy in East Troy drawing were announced Dec. 6, following the arrival of Santa and his entourage to East Troy's Village Square.

Joy, the official Find the Joy in East Troy mascot (portrayed by Rebekah Hahlbeck), drew the winners from the entries in this year's retail promotion, which asked shoppers to find the Joy Items at the 25 participating businesses over a two-week period.

The retail promotion, organized by the Advertising and Marketing Committee of the East Troy Area Chamber of Commerce, sought to draw attention to the many local shopping opportunities. Members of the committee include: Barb DeLap of DeLap's Hardware & Rental, Dan Heidelmeier of Not Just Beans, Marie Koch of CSI Media, George Scott of Lynch Chrysler Dodge Jeep, Jim Maklary of Maklary Technology Consulting and Therese Philipp of Michael Fields Agricultural Institute, along with Katie Matteson, the Chamber's executive director.

Additional help for the event came from the East Troy Area Historical Society members, who shared historical tidbits about East Troy on the Joy Shuttles, sponsored by James R. Taylor and Sons, which transported shoppers around town during the Find the Joy in East Troy Shopping Spree on Dec. 6.

Grand prize winners included Neva DeGrave of East Troy, who won a ski or golf getaway weekend for two at Alpine Valley Resort (\$550 value); Jeanette Sonderegger of East Troy, who won \$500 in Chamber Bucks that she can redeem at Chamber member businesses; and Butch Spaight of

Volunteers share joyous enthusiasm during holiday season

Those who braved the cold on Saturday, Dec. 6 experienced true joy in East Troy when the Santa Parade Train made its way down the tracks on its mission to transport

Santa and his entourage to the Village Square to light the Bob Barutha Christmas Tree. This magical event turns people of all ages into kids when they see Santa coming down the tracks.

Most people don't know that the magic actually starts weeks before with the efforts of many dedicated volunteers. I had the pleasure of working with them this year and I have to tell you that their joyous enthusiasm is quite contagious.

This year it started with the wonderful students of the National Art Honor Society from East Troy High School who created the beautiful murals that were illuminated on the bandstand. It was only about three weeks between the day that Village of East Troy Department of Public Works superintendent Tom Rossmiller told me about the tradition that hadn't taken place since the early 1970s and when the murals were completed. I'm so grateful to NAHS adviser Lori Klingbiel for supporting the project and letting me present it to her students and DPW workers Jason Equitz and Doug Gauger (who built the panels) for their help in transporting and building the display. Special thanks to the designers, Anna Gorman and Kayla Harmeyer, the other main painters, Jackie Carlson, Kayleigh Schwall, Megan Griffa, Lindsey Nusser, Olivia Drayna, Miranda Dunn, Rebecca Hahn and the other NAHS members who brain stormed on the overall ideas and helped paint.

The elves who helped the DPW crew complete the decorations on the village square included John O'Brien, Brian Schlueter and Hank Huerta from Wisconsin Oven Corporation (coordinated by Ken Frymark), along with Mike Barutha and Gary Neuman from the East Troy Fire Department, who put the lights on the Bob Barutha Memorial Christmas. Thanks to Steve DeLap, who donated the use of a lift to reach the top branches.

Jeff Standafer and Rich Ambrose from Citizens Bank of Mukwonago, along with George Scott from Lynch Chrysler Dodge Jeep, donated their time on Friday morning

to help local school children hang their handmade ornaments on the tree.

Next on Santa's list is the great bunch from the East Troy Electric Railroad, especially Jim Pratt, Andy Witkowski, Chuck Sabatino, Chris and Lisa Sacharski and Bev and Alan Bobholz, who joyfully decorated and operated the Santa Parade Train. DeLap's Hardware & Rental donated additional decorations for this year's presentation and decorating help came from Barb DeLap and Carl Matteson.

The ETER also generously donated the use of their Christmas Express passenger train as a Chamber fundraiser. Santa's Special Trolley followed the Santa Parade Train and gave riders a unique perspective. Girl Scouts from Troop No. 4189, led by Shannon Evjen, Carol Mast and Gina McFarland, entertained riders by singing Christmas carols.

The members of the Lake Beulah 4-H came through, filling the roles of the elves, bears, Rudolph and doll, as well as the Find the Joy in East Troy angel, portrayed by Rebekah Hahlbeck. Thanks to adviser Jackie Hahlbeck and her crew: Callen Sanfelippo, Tristan Sanfelippo, Kelsey Combs, Ally Jaeck, Kaity Jaeck, Lisa Heidelmeier, Jason Heidelmeier, Meghan Griffin, Owen Goedland, Elizabeth E. Heine, Christopher Swayze, Madelyn Goedland, Marcia Bisbee, Garrett Bisbee, Stuart Bisbee, Bryant Bisbee, Anna Goedland and Stevie Shea.

Students from Ed Wiegman's East Troy High School's Manufacturing Practicum, including Tommy Beland, Neal Hardaker and J.R. Paczkowski, did their part by assembling and taking down the Santa house. Thanks also to George Scott at Lynch Chrysler Dodge Jeep for storing the house and transporting the parts back and forth from the square.

Thanks to Jay Huenink and the East Troy Community Band for leading the Christmas carols on the village square for those awaiting Santa's arrival and to John Alexander for serving as MC.

Kim Billings from Kimberly Ann Photography braved the cold to take complimentary photos of the children visiting with Santa, with processing donated by Dan and Laura Heidelmeier of Not Just Beans.

And finally, thanks to Jim Maklary (you know who) and Rae Equitz (portraying Mrs. C for the 25th year).

Members of the Lake Beulah 4-H Club brought the characters of the elves, bears, Rudolph, doll and the Joy angel to life for the Santa Parade Train and the arrival of Santa on the Village Square.
