## Santa Claus is coming by rail Dec. 6

In East Troy, Saturday, Dec. 6 is the date to watch when it comes to creating a high level of holiday excitement. The day, which occurs at a prime time to jumpstart December's festivities, will once again bring back a popular East Troy tradition with roots in Milwaukee.

Santa, Mrs. Claus and their entourage will make their annual journey to town via the East Troy Electric Rail-

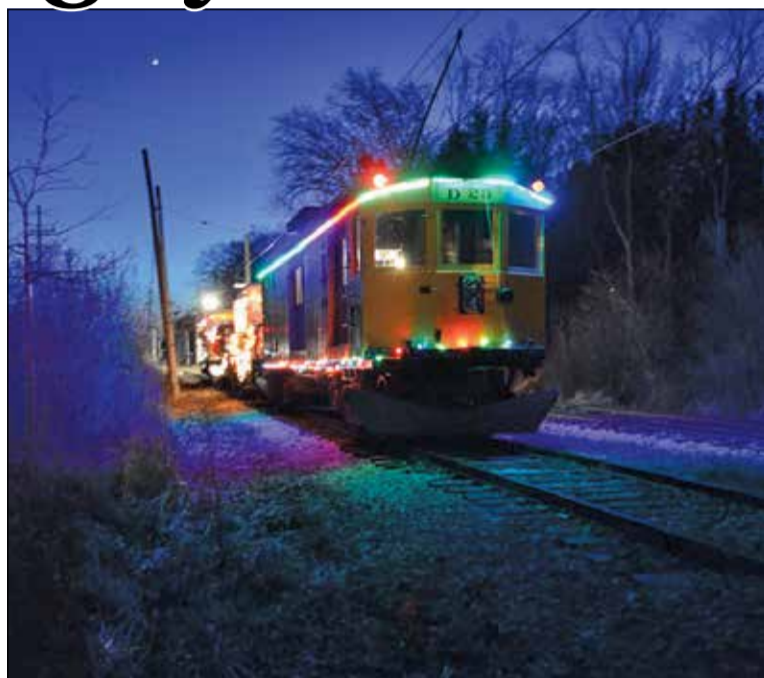

road's Santa Train.

Presented by the East Troy Electric Railroad in conjunction with the East Troy Area Chamber of Commerce and Mukwonago Area Chamber of Commerce and Tourism Center, the beautifully lit four-car train will travel down the century-old interurban trolley line between Mukwonago and East Troy.

The train will depart at the Elegant Farmer at 5:30 p.m., stopping briefly at crossings along County Road ES, arriving at Division Street at about 6:25 p.m. There, Santa and crew will travel to the East Troy Village Square via East Troy Fire Department truck to light the Bob Barutha Memorial Christmas Tree.

The original East Troy Christmas Parade train, started by the East Troy Jaycees and the railroad in 1972, was an historic reproduction of the Schuster's Christmas Parade in Milwaukee.

# Shell Station opens East Troy Soda Stop

East Troy Shell, 2526 E. Main St., has expanded its already popular convenience store offerings by opening the East Troy Soda Stop. The new section features various 12 oz. glass bottled sodas.

"Currently we have 66 different varieties, but will soon be adding at least 50 more," said East Troy Shell President Linda Kaplan.

Brands include the well-known Sprecher and Point, but also include Dang (made in Milwaukee), Cicero, Dog N Suds, Goose Island, III Dachshunds, Fentimans, Virgils, Dry, Natural Brew, Frostie and Route 66.

Coming soon are brands such as O-so, Reading, Avery, Cheerwine, Vernors, Zuberfizz, Moxie and Bubble Up, Howdy, Mr. Cola, R Pep, Lemmy and more.

Customers can buy four or six-packs, individual bottles or create their own six-pack.

# Get tech support during ‘Ask a Geek’ sessions

The East Troy High School Tech Integration Squad, affectionately known as the East Troy Geek Squad, is slowly but surely spreading their love for technology across the community.

The group of eight tech savvy high school students was formed to provide technical support to teachers and students.

Projects range from helping students create websites and developing screencast tutorials to showing teachers how to integrate the most useful tech tools into their curriculum.

The squad got official status in 2012 when the East Troy Community School District Board of Education agreed to give members credit for its work at ETHS.

The group, advised by teacher Claudia Felske, has expanded its goal (to help students and teachers learn and love technology) to the greater East Troy community.

Aside from helping teachers and students at school, the group also does community outreach each month at “Ask a Geek” sessions.

Community members are invited to come in

(smart phones, tablets, laptops in tow) to learn new technology skills and get their questions answered.

““Ask a Geek” started when we were joking one day about how our relatives and neighbors all seem to have a list of tech questions for us every time we see them,” Felske said. “We all had this same experience and realized that there are a lot of people out there with tech questions that we could answer.”

Tailored to the personal requests and needs of individuals in attendance, sessions take place from 9-11 a.m. the first Saturday of every month in Room 119 at East Troy High School, 3128 Graydon Ave., and are free and open to the public. No appointments necessary.

Community members are welcome to bring their smart phones, laptops, tablets, and technology questions. Members of the East Troy High School Geek Squad will be present to help.

For more information, call (262) 642-6760 or email felcla@easttroy.k12.wi.us.

The Schuster’s Department store chain sponsored the parade, established in 1928, to kick off the Christmas shopping season. It disappeared in 1955 with the demise of the Milwaukee Electric Lines interurban and streetcar system.

## Santa on the Square

In anticipation of Santa’s arrival, festivities will begin on the East Troy Village Square at 6 p.m. with concessions and a Christmas carol sing-along led by the East Troy Community Band.

Cub Scouts Pack 92 will sell chili and baked goods on the square. The East Troy Lionsess Club will also offer tacos, hot dogs and hot cocoa in the warmth of the Lions Lodge beginning at 5 p.m.

The East Troy Holiday Marketplace will run from 5-8 p.m., featuring vendors offering a variety of holiday gift items and entertainment by Cork ‘N Cleavage inside Ivan’s Backstage, 2093 Division St., on the square.

Photos of children with Santa and Mrs. Claus will be available following the tree lighting at a cost of \$5 each, with the proceeds to benefit the East Troy Food Pantry.

community a behind the scenes look at the filming of the East Troy episode.

The Emmy Award-winning host and his crew spent Sept. 16-19 in East Troy shooting for the show designed to explore individual neighborhoods and communities through the eyes and voices of the people who live and work there.

Attendees can meet McGivern, hear some of his humorous anecdotes from around the state and watch the episode where he visits tourist attractions like Alpine Valley Resort, Alpine Valley Music Theatre and The Elegant Farmer.

McGivern speaks with local residents who bring something unique to the community like civic-minded small business owners Ann and Ted Zess, Marcia Belair, an East Troy Lioness member who has trained 11 seeing eye dogs, and a young Lake Beulah couple.

McGivern also chats with David Allen who owns the East Troy House, the oldest operating inn and tavern in Wisconsin, and East Troy Village President Randy Timms.

Join McGivern as he samples LD’s roadside BBQ, visits Skydive Milwaukee and rides the rails of the 107-year-old East Troy Electric Railroad.

Other highlights include Michael Fields Agricultural Institute, Booth Lake Memorial Park and Uriel Pharmacy.

McGivern also features decades-old businesses like Wisconsin Oven Corporation and James R. Taylor and Sons and technology innovators like

the East Troy Computer Club and Corvia Technologies.

McGivern said he discovered East Troy while filming an episode in Whitewater in 2012 and was curious about the town that calls itself the “Good Neighbor” community.

“We sure had a good time,” McGivern said while filming inside the iconic and historic bandstand at the center of the East Troy Village Square – a first and memorable moment for the crew.

“We’ve never been to a town with an actual village square before,” McGivern said.

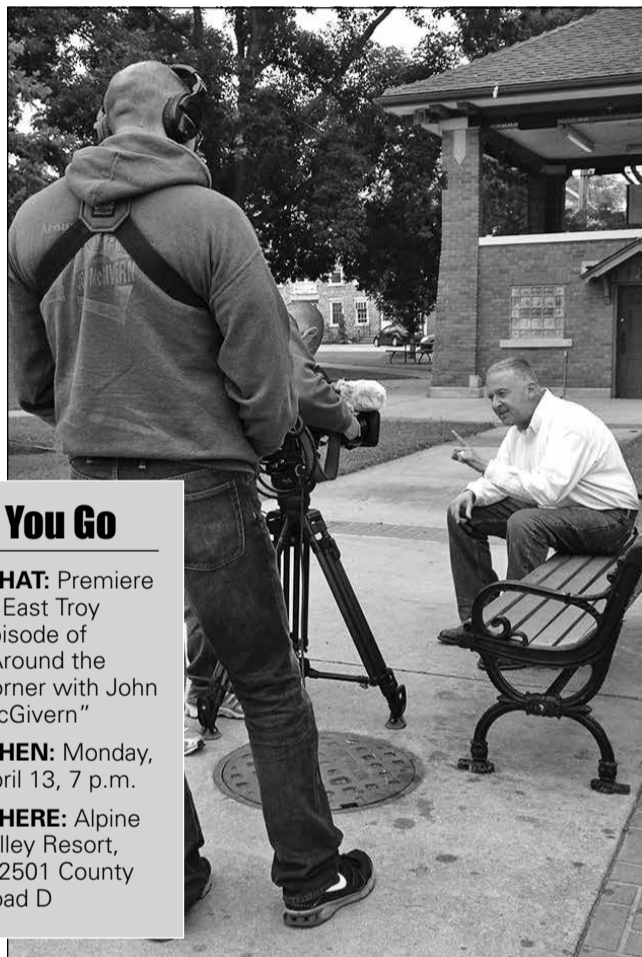

McGivern said each interview lasted about an hour, but only about one minute makes it to air.

The East Troy episode will close season four, which will take viewers around the state to visit 13 communities, including Plymouth, Sturgeon Bay, Monroe, Menomonee Falls, Oshkosh, Brown Deer, Spring Green, South Milwaukee, Bayfield, Silver City, Rhinelander and the Upper East Side.

Shot in summer of 2014, the new season of “Around the Corner with John McGivern” begins airing in January of 2015 on MPTV (channel 10 and 10.1 and 36.2 HD) on Thursdays at 7 p.m. and is re-broadcast on Fridays on MPTV 36 and 36.1 HD at 8 p.m.

The broadcast premiere of the East Troy episode airs at 7 p.m. on April 16.

The show airs in Minnesota, Iowa, Chicago and every PBS station in Wisconsin.

Troy families.  
With a new organizational structure, the program is expected to serve more families in need this year.

"In the past, community organizations such as the East Troy School District, the Lions Club, the East Troy Food Pantry, the Lionesses and the Kiwanis, as well as different churches and businesses have worked to assist families in need to provide gifts and food over the Christmas holidays, but often as separate entities," said Komperud.

"Mary Green, former social worker at East Troy Schools and coordinator of the Holiday Help program with the school district, had a vision of that program merging with other community service organizations to form a more central, community based program to serve the Holiday Help needs of community members."

Komperud said a consortium of organizations and community leaders began to meet over a year ago to decide what this program might look like and how it could transition smoothly from multiple programs to one community program.

"This new program currently involves organizations like the East Troy Food Pantry, Lions, Lioness, East Troy Manor, East Troy Community School District, Woman's Club, First Citizens State Bank, St. James Methodist Church, St. Peter's Church and School, Helping Hands of St. Peter's, Good Shepherd Church, East Troy Bible Church, Kiwanis Club, and Associated Bank," according to Komperud.

"Perspective families in need of this program will still be referred by the school district, the food pantry, Helping Hands of St. Peter's and other venues; however the interview forms will all be uniform and a master list of clients will be maintained," she said

Here's the program's complete guide to gift giving for local families living in poverty.

#### 1. Toy drive

The East Troy Lions Club is collecting gifts for children birth to 16 years of age for its annual toy drive.

Donations can be dropped off at the following locations:

Citizens Bank of Mukwonago, Dollar General, First Citizens State Bank and Frank's Piggly Wiggly East Troy. Donations will be accepted through Dec. 15.

The Lions have been organizing the drive for more than 27 years.

#### 2. Gift giving trees

Giving trees to purchase gifts for local children will be located at East Troy Bible Church, Good Shepherd Church, St. James United Methodist Church and St. Peter's Catholic Church and School with collections due by Dec. 12.

#### 3. Secret Santa for East Troy Manor

Associated Bank is seeking East Troy community members/groups to serve as secret Santas by purchasing gifts for residents of East Troy Manor. A gift-giving tree will be located inside the bank lobby at 3292 Main St., through Dec. 12.

#### 4. Winter clothing drive

The East Troy Lioness Club will be collecting hats, gloves, socks and slippers at First Citizens State Bank-East Troy Office through Dec. 1.

St. James United Methodist Church will also be collecting hats, gloves and mittens through Dec. 12.

#### 5. Feed the hungry

The East Troy Food Pantry accepts non-perishable food items year-round. In addition to canned or packaged food, items such as paper towels, toilet paper, laundry and dish soaps and toiletries are also needed.

Donations may be dropped off during business hours: Tuesday 7:30-11 a.m. and Thursday, 2:30-4:30 p.m. at 2847 Austin St. Monetary donations can be mailed to P.O. Box 233, East Troy, WI 53120.

• **LOVE** from front page

2014-15 season is required for Wisconsin residents and non-residents older than 16 looking to grab their tip-ups and poles.

Mill Pond, located at 2265 County Road G in East Troy, is part of the Southeast Region Urban Fishing Program. The small pond, which also features a walking path, has a shoreline that is accessible to the public.

4 **Take a spin on the ice**

The Village of East Troy opened an outdoor ice skating rink last winter. The rink, located immediately north of the East Troy Lions Public Library, 3094 Graydon Ave., is set to return this year. For details, visit [www.easttroy-wi.com](http://www.easttroy-wi.com).

5 **Get a view of the country**

The Kettle Moraine State Forest-Southern Unit is a popular spot for cross country skiing, winter hiking and snowshoeing.

The Nordic Trail on County Highway H, south of the Village of Palmyra, provides hiking and cross-country skiing through six different trails of varying lengths and degrees of difficulty. A warming shelter is open every day, and parking, vault toilets and a sledding hill are also available at the trailhead.

The McMiller trail system, on County Highway NN south of the Village of Eagle, provides skiing for skate and classical stride skiers on five trails of different distances and degrees of difficulty. McMiller's heated shelter building with flush toilets and some vending machine refreshments is open on weekends. The trails are open every day of the week.

The Scuppernong trails, on County Highway ZZ, east of Highway 67 north of Eagle, are open to hikers and classical stride skiers

only. There are three color-coated loop trails ranging from just over two to five miles.

All trails are open for skiing when there is enough snow. A trail pass is required for skiers 16 and older and trails can be closed with very little warning if weather changes. The Trail Information Line provides up-to-date trail information at (262) 594-6202.

For a winter hike, head to the John Muir (County Road H, north of the Town of La-Grange), Emma Carlin (County Road Z, south of Highway 59), Connector (connects Muir and Carlin trails), or Ice Age trails.

Snowshoeing at its best can be found on the John Muir trails, which include five loops that range from .4 to 10 miles.

Hiking and snowshoeing are prohibited on groomed ski trails (Nordic, McMiller, and Scuppernong).

For more information about winter trail opportunities, visit [www.dnr.state.wi.us](http://www.dnr.state.wi.us).

6 **Warm up with a fast ride**

Public snowmobile trails offer an opportunity for camaraderie and exhilarating fast rides.

Maps of designated snowmobile routes are available via the Walworth County Snowmobile Alliance. For more information, call (262) 742-2664. All Wisconsin snowmobiles must be registered. Information about registering, education and regulations can be found at [www.dnr.state.wi.us](http://www.dnr.state.wi.us). There are two local organizations for snowmobilers.

For more information, contact Paul Sonderegger of the East Troy Snow Trojans at (262) 642-8727 or Don Dingman of Lake Beulah Drift Skippers Snowmobile Club at (262) 203-1427 or visit [www.lbds.org](http://www.lbds.org).
