101 Ways to Have Fun this summer

Here's your official manual for fun in the sun in East Troy...

★ Picnic at East Troy Village Square Park

If you've ever wanted to feel the proverbial heartbeat of East Troy, check out our most notable landmark, East Troy Village Square Park, which has a long history as the backdrop for community events like the

28th annual East Troy Bluegrass Festival, Brewfest, Memorial Day Weekend Corn and Brat Roast and East Troy Lights.

When the weather warms up, outdoor picnic tables and big trees provide the perfect backdrop for a picnic with friends or family. Pack a basket from home or carryout from one of the surrounding restaurants for a sunny day activity you can do over and over again.

East Troy's First Fridays transforms the heart of downtown into an exciting fusion of all the community has to offer – a one-of-a-kind, free, outdoor event featuring live music, various food, farmers market and artisan vendors and activities for all ages. The series returns on the First Friday of the month, from 5 to 8 p.m., May 6, June 3, Aug. 5 and Sept. 2 at East Troy Village Square Park.

Celebrate 50 Years with the East Troy Electric Railroad

Residents Ride Free May 27

The first electric tourist trolleys left from East Troy on May 27, 1972. Fifty years later, the first trains of the East Troy Electric Railroad's 2022 regular season are ready to roll in East Troy.

To celebrate, the railroad is offering free rides for East Troy residents all of May 27 from 11 a.m. to 7 p.m. on the hour.

The trains travel along a 7-mile railroad line between East Troy and Mukwonago, with a stop at the Elegant Farmer along the way.

"This year will be special for our volunteers and a great time for people to come out to ride our trains," said Ryan Jonas, president of the East Troy Railroad Museum. "When you take a ride on our trains, you'll hear about the history of the electric railroad line, which has been in continuous use since 1907.

"This year you'll also hear about the hundreds of volunteers and what they have done to maintain this railroad and restore its trolleys, streetcars and interurban cars for 50 years. It really is an amazing story."

Tickets for the regular trains are available in advance at easttroyrr.org.

Walk in the Woods

Humble Oak Outdoor Learning Center will host Walk in the Woods, a fundraiser 5K/3.5K Walk from 9 a.m. to 12:30 p.m. on Saturday, June 11 in The Woods, W2743 Friemoth Road, East Troy.

Registration is \$40 per participant.

The event is a way for Humble Oak to raise funds for fall educational programming for the children of Walworth County and surrounding communities.

“Humble Oak’s mission is to provide a space where individuals of all ages may become more connected to the natural world while deepening their understanding and knowledge of themselves and others,” organizers said.

This event will feature a 5K Run/Family Walk through the forest, and a chance for the community to come together and learn about Humble Oak.

About Humble Oak:

Humble Oak is a startup non-profit outdoor learning center that will provide nature-based programming aiming to connect individuals of all ages more deeply to themselves, the land and the greater community.

The center is the next step for Violet Glen, which has been a cherished children’s outdoor learning program in East Troy for the past four years. Looking to expand the programming it could offer, the founder of Violet Glen, Erin Houlihan, reached out to other talented and visionary people who share its values.

“Something magical came together within our team, and we realized that in order to provide programming to a larger community of people, we needed a new vehicle, but one that could also carry the original torch and spirit of Violet Glen into the future,” Houlihan said.

“After much time invested in planning and hard work, we are happy to introduce Humble Oak. Humble Oak will be the new home for the families who have grown to trust and love the mission of Violet Glen.”

happens to have cycling throughout the day," said Vanessa Lenz, Executive Director of the East Troy Area Chamber of Commerce, which hosts the event. "East Troy is day 2 on the 11-day race series and our schedule represents everything our local community has to offer."

Spectators may watch the cyclists whiz by once every three minutes from anywhere on the racecourse, which will feature plenty of food, drink and entertainment. Admission is free.

"We are planning to add to the action with activities, food vendors, an ESPN radio broadcast, cabana parties and more. Many surrounding businesses will get in on the action with race day specials and bike themed items," Lenz said.

The cycling classic will include two races that allow locals to get in on the action.

East Troy's 6th annual Slow Ride Bike Race will feature riders competing to be the slowest without stopping. Last place comes in first. The winner gets \$100 and there will also be a prize for best costume.

"The Tour de Square Kids Fun Races have been a favorite with nearly 200 children competing like the pros as they pedal their bikes fast and furiously toward the finish line," Lenz said.

East Troy is only one of three hosts on the ToAD 2022 series to host handcycling- a form of adaptive cycling that enables athletes of all abilities to ride a "bike" exclusively using the upper body.

"It's been praised for providing a newfound resilience and autonomy for these cyclists," Lenz said.

New route

East Troy will see a brand-new route this year with the East Troy race start and finish on the west side of the square (in between East Troy House and East Troy Brewery) and course heading west on Main, north on Beulah and east on Union Street back to the square.

About 500 cyclists from around the country and abroad will ride laps around the half-mile course between 11:10 a.m. and 8:15 p.m. for timed races that range from 40 to 90 minutes.

The race will shut down streets on the course, but local businesses will remain open. Parking will be available in the Chester Byrnes lot, 2031 Division St., and a golf cart shuttle will be available.

The title sponsor for the East Troy Cycling Classic is the Dennis and Janice Klumb Family Foundation, which put up half of the bid fees to host the race. The East Troy Area Chamber of Commerce serves as the local host, with funding for the balance of the fees donated by other local and regional sponsors.

ToAD 2022, which marks its "Lucky 13th" year, runs Thursday, June 16 through Sunday, June 26 and features criterium-style races daily in different Wisconsin communities.

ToAD has become one of the most popular bike race series in the sport earning an outstanding reputation for delivering a world-

Ways to get outside & play

If you're a nature lover, East Troy will capture your heart with its striking waterfronts and flourishing green space. Ten local lakes and three state natural areas are all located within two miles of downtown.

Here are our top recommendations.

SPECTACULAR SUMMER HIKES

PICKEREL LAKE FEN PRESERVE

Pickeral Lake Fen Preserve, which includes a portion of Pickerel Lake Fen, a rare wetland type, contains several springs that feed Pickerel Lake and an oak woodland, located at N8740 Pickerel Lake Road. The State Natural Area, managed by the Nature Conservancy, features a trail that is accessible to people who use power-driven mobility devices to help them get around.

LULU LAKE

The focal point of the diverse wetland and upland communities located on County Road J is the 95-acre Lulu Lake, a 40-foot deep, hard water drainage kettle lake fed

by the Mukwonago River and situated at the base of glacial deposits. Best seen by canoe via the Mukwonago River or through the channel from Eagle Spring Lake.

KETTLE MORAINE STATE FOREST-MUKWONAGO RIVER UNIT

The 970-acre former Rainbow Springs property is situated in the Mukwonago River watershed and is an area known for its outstanding resource waters, including the 35-acre Rainbow Springs Lake, varied habitats and biological diversity. Visitors can park in lots on Highway LO, County Road J (near Stringers Bridge Road) or County Road E.

KETTLE MORAINE STATE FOREST-SOUTHERN UNIT

Covering more than 22,000 acres of forested glacial hills, kettle lakes and prairies, the Southern Unit of the Kettle Moraine State Forest is interlaced with more than 100 miles of mountain biking, horseback riding and hiking and nature trails. Forest Headquarters is 3 miles west of the Village of Eagle, S91 W39092 Highway 59.

BEULAH BOG

Located on Stringers Bridge Road, visitors can travel along Beulah Bog's hiking trail east to catch sight of its shallow bog lake, floating mud flats, tamarack forest and wet open moat.

BEULAH BLUFF PRESERVE

Beulah Bluff Preserve, a Kettle Moraine Land Trust nature preserve, is located at N9026 Bakavi Way, East Troy. The preserve overlooks the northwest shoreline of Lake Beulah and is open to the public for passive recreation and environmental education.

BEST MOUNTAIN BIKING

JOHN MUIR TRAILS

The John Muir Trails, known for its high-quality single-track mountain bike trail system, are among the most popular in the state.

Part of the Kettle Moraine State Forest's Southern Unit, the trail system, about two miles north of La Grange, N9097 County Road H, features five loops ranging from 1.25 to 12 miles.

ALPINE VALLEY RESORT

The Mountain Bike Trail at Alpine Valley Resort, W2501 County Road D, features 8.1 miles of single track with a 1,043 feet ascent and 1,035 descent.

From the start, the trail is an ascending, leg-burning climb in the trees up the side of the ski hill. After you go around the excavation pit, miles of twists, turns, punchy climbs, and fast descents await.

Enter via Alpine's driveway toward the resort. At the bottom of the hill, you'll see a blue sign that says Mountain Bike Trail. For more information, visit alpinevalleyresort.com.

Kelly's Pot Pies and More

POT PIE

Where to Eat: Kelly's Pot Pies & More

Kelly's Pot Pies & More offers a variety of pot pies, quiche, appetizers, desserts and more primarily for take home.

It sets the bar high as far as pot pie experiences go with products hand made in small batches using the finest ingredients, primarily from old family recipes.

Starting with Kelly's secret crust, each pie is individually handmade (not processed in a large processing plant). The crisp, flakey crust crumbles when you cut into it revealing an array of chicken, peas, carrots, celery, onions, and potatoes in a savory sauce.

When you purchase one of Kelly's Pot Pies “Heat-N-Serve” pies, you just pop them in the oven and they're ready to serve in 45 minutes or less.

Hours are Tuesday and Wednesday from 11 a.m. to 5:30 p.m. and Saturday from 10 a.m. to 2 p.m.

Order for pickup at The Venue, 2645 Main St., East Troy. For more information, visit kellyspotpies.com.
